### **List of Selections**

19<sup>th</sup> August 2015

<b>Number</b>	<b>Add name of the place or space</b>	<b>Landmark View Building Open Space</b>	<b>Private Public</b>	<b>Planning Neglect Vandal</b>	<b>A brief description of the reason for selection, i.e historical, cultural,in no more than fifty words.</b>	<b>Geographical Areas</b>	<b>Codes</b>
1	Cowdale Quarry	View	Private	Planning	Its a scheduled monument, that has been reclaimed by nature as a green space. It provides recreational and wellbeing to the people of Cowdale and outside.	Eastern	I, R
2	Limeworkings Solomon's Temple	Landmark	Public	Planning Neglect	These workings that extend into Grin Woods are a vital part of the story of Buxton. They provide a link with our industrial heritage and through the woods to the Crescent and other Major Buildings in Buxton	Southern	I, H
3	Solomon's Temple	Landmark	Public	Neglect	Iconic landmark visible throughout the town.	Southern	L, W
4	Solomon's Temple	View	Public	Planning	The view is one of the best in the area. The town can be understood from here, but development especially on the fringe of the town and esp. the HSE lab's have damaged the view.	Southern	L, W
5	Burbage Coal Mines	Landmark	Private	Planning Neglect	The mines date from Medieval times to 1919. Surface features include location of the Burbage levels, rail sidings, coke ovens, airshafts, winding shafts. Supplied Coal to Grin Lime Kilns. Became a joint Devonshire Business.	Western	I, H
6	Corbar Cross	Landmark	Private	Neglect Vandal Planning	A key landscape visible coming in and out of Buxton. Risk that housing develops on the hillside and spoils the open view.	Central	L, W
7	Coal Mines - See 5 above	Landmark	Private	Neglect Planning	Economic History, Evidence in Rail Sidings, base of rail track leading into tunnel. Coal tip HIGH RISK	Western	I
8	Gutter Farm Burbage	Landmark	Private	Neglect Planning	Examples of early 16th C development	Western	L, H
9	The Beet	Landmark	Private	Neglect		Western	V
10	Watford Farm	Landmark	Private	Neglect		Western	V
11	Otterhole Mill	Landmark	Private	Neglect	Only traces of the Mill remain, the remains can be seen from the ring of trees walk from the bridge on Gadley Lane	Western	V
12	Solomon's Temple	Landmark	Public	Neglect	A key landmark visible from so many parts of Buxton	Southern	L, W
13	Ashwood Park	Landmark	Public	Neglect	13th Century Mill site operated until 1800, now site marked by the weir at the end of Dale Road end of the car park.	Eastern	R, I
14	Hoffman Quarry	Landmark	Private	Neglect Planning	Important site in history of quarrying in the area, now disused	Southern	I
15	Grin Low Quarry	Landmark	Private	Planning	Now a Caravan site. The Limestone cliffs are potentially an important site for alpine plants.	Southern	?

<b>Number</b>	<b>Add name of the place or space</b>	<b>Landmark View Building Open Space</b>	<b>Private Public</b>	<b>Planning Neglect Vandal</b>	<b>A brief description of the reason for selection, i.e historical, cultural,in no more than fifty words.</b>	<b>Geographical Areas</b>	<b>Codes</b>
16	Cattle Market and Old Council Yard	Open Space	Private	Planning	Site if developed must have an area of green space and trees to enable residents to benefit from open space and the wellbeing that this brings. Work and Play - need to find a balance between the two.	Central	V
17	Woods - Station Rd / Palace Road	Open Space	Private	Planning	Owned by DB Schenker. This is a vital green corridor for wildlife. It is neglected and subject to rubbish tipping. Needs to be enhanced and not built on	Central	V
18	Street Trees	Open Space	Public	Planning	See Separate Section	Central	V
19	Gadley Wood Footpath and Stream	Open Space	Private	Neglect	BCA owned	Western	V
20	Trees on the Market Place	Open Space	Public	Planning Neglect		Central	V
21	Rocky Road Macclesfield Old Road	Open Space	Public /Private	Neglect Planning Vandal	From end of Macclesfield Old Road, past Goslin Bar Farm - "Wonderful Rocky road, with views to the Cat and Fiddle - currently being ripped up by 4x4 and Bikers.	Western	V
22	Rocky Road Macclesfield Old Road	View	Public /Private	Neglect Planning Vandal	From end of Macclesfield Old Road, past Goslin Bar Farm - "Wonderful Rocky road, with views to the Cat and Fiddle - currently being ripped up by 4x4 and Bikers.	Western	V
23	Westside of St John Road nr Gadley Lane	Open Space	Public	Planning	Green Open Space highly visible to passing public. Forms a link to North side circle of Trees.	Western	V
24	Shay Copse - On ring of trees walk	Open Space	Private	Planning Neglect	BCA owned	Western	V
25	Hogshaw Tip	Open Space	Public / Private	Planning Neglect	Disused Railway works and sidings. Rubbish Tip. Brown Field site that is on the local plan for housing development. Barrier against spreading development, also wild flowers/ trees and song birds. Wellbeing for people.	Central	V
26	Cote Heath Recreation Ground	Open Space	Public	Planning	Open green space in constant use by all generations for a wide range of uses, every day. Throughout the year a real community asset.	Central	R
27	Lismore Road	Open Space	Public / Private	Planning	Green field rough, uncut, undeveloped. Near to new housing development. Used by locals. A rare patch of green space in urban setting.	Central	R
28	Palace Hotel	Building	Private	Planning Neglect	A key landmark in the town. Large but vulnerable building. Needs some creative thinking to ensure continuity and use.	Central	L, V, H, TT
29	George Hotel	Building	Private	Planning Neglect		Central	V, H, TT
30	Grove Hotel	Building	Private	Planning Neglect		Central	V, H, TT

<b>Number</b>	<b>Add name of the place or space</b>	<b>Landmark View Building Open Space</b>	<b>Private Public</b>	<b>Planning Neglect Vandal</b>	<b>A brief description of the reason for selection, i.e historical, cultural,in no more than fifty words.</b>	<b>Geographical Areas</b>	<b>Codes</b>
31	Spring Gardens - Architecture on 1st Floor and above	Building	Private	Neglect Planning		Central	V
32	Cottages on Green Lane near the Rec	Building	Private	Neglect Planning	Used to be called Dolly Peg lane as the Occupants used to take in washing.	Western	TT, H
33	Palace Hotels Walls	Building	Private	Planning Neglect	Sympathetic repair to the boundary walls is needed to halt further deterioration, collapse, and theft of beautiful coping stones.	Central	V
34	Walls on Fountain Street	Building	Private	Planning	Reuse of stones from historical buildings?		V
35	High Path	Landmark	Public / Private	Neglect planning	Path allows access to town especially for wheel chair / mobility users. A good wide path connecting areas residential and recreational.	Eastern	R, V
36	St Mary's Church Dale road	Building	Private	Planning Neglect	Charming arts & Crafts church, quite unique. Roof looks like a face, particularly when it has snow on.	Central	TT, A
37	Waste Tips Cowlow Lane	Open Space	Private	Planning Neglect	The waste heap was colonised by ground nesting birds and wild flowers, including bee, fragrant, spotted, marsh, and Tea glade Orchids. Now let for grazing and habitat destroyed.	Northern	V
38	Grasslands around the Basalt Quarry adjoining the Green lane	Open Space	Private	Planning Neglect vandal	Valuable habitat for ground nesting birds, land recently set on fire by vandals. Stock proof fencing removed and now 4x4 damage,	Northern	V
39	Post Office on Water Street	Building	Private	Planning Neglect	Stone facades on the former post office	Central	V
40	Potters Fascia Signs	Building	Private	Planning	Provides a link with the past. Effective but traditional. Provides some essential character to the high street	Central	TT
41	Hall Bank Town Houses	Building	Private	Planning Neglect	historic and great visual value.	Central	TT, H
42	Viaducts in town centre and off Dukes Drive	Building	Private	Planning neglect	These add grandeur to the town scene and are significant engineering achievements, presume safe, but could be overlooked.	Southern	TT, I, L, V
43	George Hotel and Mansions	Building	Private	Neglect	Have been left too long in a decrepit state	Central	V, H, TT
44	Derelict Farm house / Cottage	Building	Private	Neglect	BCA member has memories of playing there as a child.	Central	?
45	Erwood Hall in the Goyt	Building	Private	Neglect Vandal Planning	This provides a destination that adds value to the historical value of the area. It is a regular destination for walks with children and a place for imaginary games. [link with Buxton]	Western	H, W
46	Stables / Mews Brook St / Fairfield Rd	Building	Private	Neglect Planning	Situated behind the bike shop nr the mini round about. Buildings that are of historical interest.	Central	H, ?

<b>Number</b>	<b>Add name of the place or space</b>	<b>Landmark View Building Open Space</b>	<b>Private Public</b>	<b>Planning Neglect Vandal</b>	<b>A brief description of the reason for selection, i.e historical, cultural,in no more than fifty words.</b>	<b>Geographical Areas</b>	<b>Codes</b>
47	Views to the S from Solomon's Temple	View	Public	Planning	The view has been spoilt by the building of the HSE lab. This could have been / could still be screened by planting trees. In future we need to look at the loss of visual amenity when developments are considered.	Southern	L, W
48	Bishops Lane Meadow (Behind Burbage Institute)	View	Public / Private	Planning	It would spoilt the view for many people if the land was to be developed.	Western	V
49	Solomon's Temple	View	Public	Planning	A magnificent 360 panorama apart from the HSE. Need to soften the impact by tree planting. A visitors information board highlighting the views would add to the value of this.	Southern	L, W
50	Corbar Cross	View / Landmark	Public	Planning	This marks the entrance to Buxton and is a striking item for people. A good signpost marking the entrance to the woods would be ideal as would an interpretation board.	Central	L, W
51	View of Buxton from Macclesfield Road 41	view	Public	Planning	Approaching from West sweeping open view contrast green fields opposite Marriott's Garage.	Western	?
52	View of Solomon's Temple from Market	View	Public	Planning	It helps put the town into context. On a dull and cloudy day Solomon's temple and the view of the hills reminds us that the town is high up surrounded by hills.	Central	L, W
53	Blue Lagoon area surrounding the pond	Landmark	Private	Planning	Developed for a solar energy array, as an alternative to a harper hill wind turbine. Buxton needs a community energy scheme. Also takes away the blue lagoon as an undesirable attraction.	Southern	I, V
54	Goyt Valley	Landmark	Private / Public	Neglect Planning	Road up from Fernilee Reservoir. In Goyt Valley a sign to indicate that it was a railway incline.	Western	W, I
55	Cromford and High Peak Railway	Landmark	Private / Public	Planning	Important early Railway line (from 1831) Evidence of sidings at quarry sites and coal mines areas.	Western	I
56	Cromford and High Peak Railway	Buildings	Private	Planning	Level Crossing Keepers House at Ladmanlow	Western	I
57	Cromford and High Peak Railway	Landmark	Private	Planning Neglect	Bridge Arches at A537 / Tunnel Farm	Western	I
58	Harpur Hill - RAF site	Landmark Building	Private / Public	Planning Neglect vandal	Originally artillery firing range. Then RAF bomb store with houses built for RAF personnel. (Harris , Tedder Streets) Then Mush room Farm now Industrial Estate.[Explan / interpretation]	Southern	H, I
59	HSE Lab	Building	Private / Public	Planning	Important as safety in mines research establishment, international reputation, important in the history of coal mining industry.	Southern	I

<b>Number</b>	<b>Add name of the place or space</b>	<b>Landmark View Building Open Space</b>	<b>Private Public</b>	<b>Planning Neglect Vandal</b>	<b>A brief description of the reason for selection, i.e historical, cultural,in no more than fifty words.</b>	<b>Geographical Areas</b>	<b>Codes</b>
60	Railway Station Wall	Landmark	Public	Planning Vandal	Part of our architectural heritage lovely curved shape, speaks of grand journeys. Ideally not just preserve, but incorporate into improved station and reflect the shape / style in the new build.	Central	TT, I
61	Solomon's Temple	Landmark Views	public	Planning	Orientation point and view point. They give perspective and remind us of our hill town status.	Southern	L, W
62	Corbar Cross	Landmark Views	public	Planning	Orientation point and view point. They give perspective and remind us of our hill town status.	Central	L, W
63	Station Fan Window	Landmark	public / private	Planning Vandals	This was only recently beautifully restored but has already been vandalised.I would hate to recommend CCTV cameras but I do not know of any other solution.	Central	TT, I
64	Bishops Lane Lime workers huts	Landmark	public / private	Planning Neglect	Referred to in a book of walks but not able to identify them.	Western	?
65	Ashwood Park Bridge nr Weir	Landmark	Public	Planning Neglect	Currently closed because unsafe. If resolved would open up the renewed park and give views of the Wye.	Eastern	R, V
66	A6 Ashwood Park Path	Landmark	Public	Planning	If High Pavement remains unresolved then this pavement will need to be widened.	Eastern	R, V
67	Fountain on the Market	Landmark	Public	Planning Neglect	Key part of the social heritage of the town, fresh water supply for higher Buxton. From 1840.	Central	TT, H
68	Street Trees	Landmarks	Public	Neglect	Need to ascertain DCC policy and to benchmark the current position and ensure that they are replaced.	Central	V
69	Small area of Woodland - A515	Open Space	?	Planning	Area of Woodland on A515 near Foxlow park. Provide a break from housing and a natural habitat for wildlife.	Eastern	V
70	Small area of Woodland Dukes Drive	Open Space	?	Planning	Area of Woodland Dukes Drive provide a break from housing and a natural habitat for wildlife.	Eastern	V
71	Small area of Woodland by Palace Road	Open Space	?	Planning	Area of woodland by Palace Road provide a break from housing and a natural habitat for wildlife.	Central	V
72	Manchester Road A5004	Open Space	Private / Public	Planning	Danger of infill - given the planning permission given to the electricity sub station there is a danger that strip development spoiling the view and losing the connection at the edge of the town to the natural environment.	Central	V
73	Wye Valley Ashwood Park	Open Space	Private / Public	Planning Neglect		Eastern	R, V
74	High Path	Landmark	Private	Neglect	Damage to the gateway to the town	Eastern	R, V
75	Lovers Leap	Open Space	Private	Neglect	Woodland ink ancient and limestone cliffs and crags	Eastern	W, V

<b>Number</b>	<b>Add name of the place or space</b>	<b>Landmark View Building Open Space</b>	<b>Private Public</b>	<b>Planning Neglect Vandal</b>	<b>A brief description of the reason for selection, i.e historical, cultural,in no more than fifty words.</b>	<b>Geographical Areas</b>	<b>Codes</b>
76	Lismore Road	Landmark	Private	Planning Neglect	Neolithic site near to Wye Head Wood	Central	A
77	Recreation Ground Rugby Pitches	Open Space	Private	Planning	Open field site risk of development	Eastern	R, V
78	Football Pitches Harpur Hill opp Abattoir	Open Space	Private	Planning	Open field site risk of development	Southern	R, V
79	River Wye - Buxton	Open Space	Public	Planning Neglect	Part of the river that flows under springs and appears in the car park. Ugly eyesore needs to be addressed. Springs car parks are ugly enough and the stretch of water fits in well with this. Car park used heavily by locals and visitors. Water is an important feature of Buxton - more could be made of this opportunity.	Central	V
80	BCA land	Open Space	Private	Planning	Could some of the BCA land that is leased to farmers be used for allotments and local food production.		?
81	Tunstead Archive	Archive	Private		Collection of documents and photographs detailing the history and development of quarry.	Northern	I
82	Pavilion Gardens Conservatory	Landmark	Private / Public	Planning Neglect	The repairs to this iconic building are already rusting through.	Central	TT, V, H
83	Old Fairfield	Buildings	Private	Planning Neg	The lanes and streets around the 19th hole are a key part of the history of Buxton and Fairfield. Many of them will be listed but is there a case for putting together a history perhaps a walk that explains the role and development of these buildings in the growth of the town.	Northern	TT
84	Fairfield Road	Landmark / Buildings		Neglect	Empty properties esp. towards the bridge. Create poor impression of the town.	Northern	V
85	Lightwood Reservoir and Woods	Open Space		Planning Neglect	This has become a valuable wildlife habitat esp. since the reservoir has been drained and broken up. A study in how nature regenerates a space, as well as a key area for wellbeing. Currently abused by people leaving rubbish the site needs an element of protection.	Northern	W, V
86	Serpentine	Open Space		Neglect	Small water fall.	Central	TT, V
87	Cunningdale	Open Space	Public / Private	Planning	At risk from quarry extension. It is a small quiet limestone dale that supports a wide range of flora and fauna as well as some industrial archaeology at its Southern end.	Eastern	V
88	Town Hall Slopes Side	View	Public	Planning	This is a wonderful view with glimpses through the trees on the slopes down to the crescent and then up to Devonshire. It takes in woods and trees as well.	Central	TT, H, A

<b>Number</b>	<b>Add name of the place or space</b>	<b>Landmark View</b>		<b>Private Public</b>	<b>Planning Neglect Vandal</b>	<b>A brief description of the reason for selection, i.e historical, cultural,in no more than fifty words.</b>	<b>Geographical Areas</b>	<b>Codes</b>
		<b>Building</b>	<b>Open Space</b>					
89	Lightwood Reservoir and Woods		View	Private	Planning	A view that takes in the town and beyond to Chelmorton Low. At risk from Nestle water extraction plans and development.	Northern	W, V TT, H, A
90	Genels and Drungs		Landmarks	Public	Planning	Links to parts of the town,often historical and also can provide wildlife corridors.	Central	
91	Goddards Music Shop		Buildings	Private	Planning		Central	
92	Clowes Chemists		Buildings	Private	Planning		Central	

**Codes / Themes**

TT = town trail with areas of interest (usually historical)

H and A = sites of historical or archeological interest

R= recreation areas

W= larger walking trail

L= notable landmarks to note on the trails

I= Industrial heritage trail- quarrying, mining and railways

V= vulnerable sites
