About us

Who we are

Buxton Civic Association (BCA) is the leading environmental and heritage charity in Buxton. Campaigning and working for the conservation and enhancement of the built and natural environments, and heritage of Buxton. We are also a Limited Company. We were established in 1967 and are a dynamic and forward looking organisation, always looking to get better at what we do.

We are unusual as a Civic Association / Trust in that we own and manage the most successful paying visitor attraction in the town; Poole's Cavern, alongside 10 woodlands totalling c. 200 acres, including Buxton Country Park. The cave attracts over 50,000 visitors a year, whilst thousands more visit our adjacent woodlands.

BCA is a voice for wildlife, heritage and the environment in Buxton. We actively campaign, persuade, promote and educate. BCA cares about Buxton.

Recent developments

BCA is governed by a board of dedicated trustees all of whom volunteer their time and knowledge selflessly. They and their efforts are often hidden in the background, but they play an indispensable role in guiding and nurturing BCA, enabling it to achieve its goals in looking after the built and natural environment of Buxton. Their motivation is fuelled by a genuine desire to make Buxton a better place to live and visit.

At the beginning of 2023 the board appointed their first CEO, Dave Green. Dave joined BCA from the Florence Nightingale Museum Trust, where he was CEO. Previously he has worked in the conservation and heritage sector in a wide variety of roles.

As CEO, Dave has made an incredible impact, securing vital funding and working tirelessly to implement the necessary changes to ensure the charity's future. His leadership has been instrumental in driving the organisation's growth and sustainability, positioning it for long-term success.

Future developments

At the start of 2024, we were successfully awarded £249, 990 from The National Lottery Heritage Fund's 'Resilience and Recovery' funding stream. This investment will enable us to begin preparations for our diamond anniversary in 2027, by enhancing volunteering, visitor, and membership programmes, giving further emphasis to developing widespread community involvement and public engagement. The money is also enabling us to review our digital provision, marketing, retail, and governance. The funding supports two full time project staff - a Membership and Marketing Officer and Volunteering Development Manager, who started in post earlier this year.

Other exciting developments include:

- Renovation of the Lodge into additional office space, kitchen, storage and a meeting room.
- IT and EPOS upgrade throughout the business.
- New website - which is currently in development
- New branding and signage
- Retail refurbishment
- Creation of a high quality souvenir guide.

Buxton

Buxton, a charming spa town nestled in the heart of the Peak District in Derbyshire, has long been celebrated for its stunning natural beauty and rich history. Known for its Georgian and Victorian architecture, including the iconic Crescent and the Buxton Opera House, the town offers a unique blend of cultural heritage and picturesque landscapes. Its thermal springs, once a major draw for visitors seeking health and relaxation, continue to be a focal point of the town's identity. Buxton's proximity to the Peak District National Park makes it a popular destination for outdoor enthusiasts, with numerous hiking trails and scenic spots to explore.

In 2024, Buxton was named one of the best places to live in the UK by the Sunday Times Best Places to Live guide, which praised it as a "cultural powerhouse." This recognition highlighted the town's vibrant arts scene, including its renowned festivals, galleries, and theatres that contribute to a lively community spirit. The guide also emphasised Buxton's excellent quality of life, combining the charm of a small town with the cultural amenities typically found in larger cities. With its thriving cultural scene, historical charm, and stunning natural surroundings, Buxton continues to be a sought-after location for those seeking both beauty and culture.
